

# The LILY

deluxe suite | 1 bath | 411 square feet

The Lily deluxe suite is spacious, airy, and cheerful, offering an open living space with separated areas for a bedroom and living room with two closets and private bathroom with shower. Every apartment is individually heated and air-conditioned. Additionally, each suite is equipped with a bedside and bathroom emergency call response system. Each resident is encouraged to bring personal furniture and belongings to add their own personal touch and make this their new home.
